DR RIDE'S AMERICAN BEACH HOUSE by Liza Birkenmeier, Directed by Associate Artistic Director Annamaria Pileggi

We are proud to present this play by STLAS friend and Actor/Playwright Liza Birkenmeier. Liza last performed on our stage as Una in *Blackbird*. She has gone on to become a successful playwright in NYC.

Dr Ride's American Beach House is an intimate snapshot of queer anti-heroines. On the eve of Dr. Sally Ride's historic space flight, four women with passionate opinions and no opportunities sit on a sweltering St. Louis rooftop, watching life pass them by.

Two Weeks only.

BARRYMORE by William Luce, Directed by Erin Kelley

A Limited Engagement! Two Weeks only. STL Stalwart Actor John Contini returns to our stage to reprise the role in which Christopher Plummer won a Tony for his portrayal of John Barrymore. Each act begins with a stunning entrance onto a stage that the legendary actor has rented to prepare for a comeback performance of Richard III. Barrymore jokes with the audience, spars with an offstage prompter, reminisces about better times, and does delicious imitations of his siblings Lionel and Ethel.
